ANNOUNCES

A ZOOM TRIAL

The November, December, and January 2023 / 2024 OURROC meetings will be available to stream at home or office, on PCs, MACs, and any Smart Phone at no cost to the viewer. Watch live, as well as recorded for later viewing, via the OURROC website.

Link codes will be available in emails and mailings closer to the program dates.

WHY?

OURROC hopes to attract more attendees to our programs who cannot make it to the in-person meetings, and allow members to view past programs they missed or wish to review in our online archive.

If you have never joined a ZOOM meeting before, check out this short ZOOM tutorial on YOUTUBE:
