Minutes- OURROC Feb 10, 2026, Member Meeting, River Forest Village, Director Training

-Explained new Q & A process for this meeting. 3x5 cards on tables for attendees to write down questions which are gathered at break and after the presentation. Answers that did not require a legal answer were offered by presenter. All would be placed with minutes of the meeting on the webpage when compiled.

Several questions were received and time didn't allow for their answers during the training session. Ourroc board will assimilate them and work with Jackson Kracht to provide answers on the Ourroc website on the mtg minutes page.

Certificates of Completion will be emailed to all registered applicants.
